PREFACE:

The Dawson County School System is, and wishes to remain, a cooperative member of the community. It is in this spirit that the following procedures are offered. The school system must balance the desire to support all worthwhile community activities with its responsibility to supervise and maintain the school system's Performing Arts Center for its primary purpose, which is to house the program of instruction and the various performance events for band, chorus, art and theater. In addition, given the high cost of utilities, and to protect finances allocated for student services, usage fees must reflect compensation for incurred expenses.

PROCEDURES:

At all times, the activities of the school and its related organizations shall take priority on the use of the Performing Arts Center. The facility may be used by outside groups and organizations in accordance with the following criteria:

1. A person is identified, in writing, as the responsible party (person in charge) for the supervision of the event and the good condition of the facility upon completion of the event. The organization, business or group using the facility, as well as the person identified as being in charge of the event, will be held responsible for all damages to school property. A representative of the sponsoring organization must be on site at all times.
2. The Performing Arts Center Coordinator will arrange all plans for the facility's use and will issue keys (only when necessary) in such a manner as to allow for only authorized use. In the event keys are issued, they must be promptly returned the morning of the next school day following the event. Keys may be given to the Performing Arts Center Coordinator or Dawson County High School Administrator.
3. The Performing Arts Center is to be closed and locked by 10:00 p.m. unless otherwise approved in advance by the Performing Arts Center Coordinator. The facility and grounds are to be left clean and in good repair.
4. No food or drink is allowed inside the auditorium, dressing areas, green room or classrooms. Special permission must be arranged in advance to use the concession room. Please do not tape anything to doors, walls or inside windows. The use of "glitter" or similar materials is prohibited.
5. In accordance with school rules, tobacco, alcohol, firearms, weapons, or explosive devices are not allowed on school grounds. The use of our facility for non-school related events during school hours is discouraged.
6. Cost for the use of the Performing Arts Center will be outlined in the signed contract. At the time of reservation, only an estimate of total cost can be determined. Review detailed fee structure in *Description of Fee Structure*.
7. Fee structure: The facility fee is \$150 per hour. (Minimum fee \$300). A \$50.00 per hour energy surcharge may be assessed for all usage extending beyond six (6) hours per scheduled event. Lighting and sound services can be provided upon request and will incur a charge of \$25 per hour per contracted person. Custodial and security services are required. A fee of \$25 per service hour per person will be charged. Payments for services must be made to Dawson County Board of Education. Piano rental is \$150.00 per event (includes complimentary tuning). There is a Vendor fee of \$50, per vendor, if goods are sold to attendees.
8. Some Dawson County organizations may apply for a rental fee discount or waiver. Rental fee discounts or waivers are described in Description of Fee Structure. Eligible groups must meet specific criteria and submit appropriate non-profit, tax-exempt, or governmental documents in addition to a federal ID or employee identification number (EIN). All fee/service payments are expected within **five** business days of the conclusion of the event.
9. If fee applicable, a deposit of \$250 is expected with the submission of the contract. Contracts submitted without a deposit can only reserve a date for a maximum of 14 days. All facility usage requires a Facility Use Contract.
