NUTRITION TO GO

Asparagus lovers debate whether thin or thick spears are better. The answer? It's really just a matter of personal preference. Thinner spears aren't younger or fresher - they just grow farther out from the central plant. Whether you like thick or thin, avoid shriveled stalks or mushy heads.

THEREIN

The word "therein" (pronounce it like it's two words, "there" and "in") is special. It's the shortest word in the English language that contains TEN other smaller words without rearranging any of the letters. How many can you find?

IO

in, here, he, her, here, herein, ere, re, rein, in

Word play

INTENSE.

The most effective (and time efficient) exercise for good cardio health is alternating short, cheetah-like bursts of intense activity with longer periods of easier effort. So-called "high intensity interval training" starts with a few minutes of warm-up, then the fun begins: 30-60 seconds of cheetah-style, all-out, hard-as-you-can-go, 100% effort (biking, running, swimming, etc.), followed by 3 or 4 minutes of 50% effort, repeated up to 5 or 6 times, for no longer than half an hour.

EAT BETTER. PLAY HARDER. LIVE HEALTHIER. LEARN EASIER.
WELLNESS IS A WAY OF LIFE!
