

8/19/2021 (Effective Friday, August 20, 2021)

#### Updated COVID-19 Mitigation Strategies

- Resume contact tracing. Notify parents of students directly exposed (within six feet for 15 cumulative minutes).
- Nonessential visitors are not permitted in schools until further notice. This includes outside groups. Mentors, student teachers, and others who are there to support curriculum and instruction are allowed.
- Avoid large inside gatherings.
- Whenever possible/feasible, schools should keep students spread out during lunch and avoid large indoor gatherings.
- Encourage social distancing in classrooms and hallways.
- Field trips are on hold until further notice with the exception of CBI and specified curriculum-related trips.
- Limit sharing of classroom items, supplies, materials
- Athletics and outdoor events will continue as scheduled.
- Continue frequent cleaning/disinfecting.
- Continue handwashing and use of hand sanitizer.
