
Name: Angie Smith

Subject Taught: Chorus

Phone number/ ext: 1897

About Me:

My husband, Scott, and I have been married for 28 years and have two wonderful children. My oldest son, Ethan, graduated from DCHS in 2022 and attends Berry College for his undergraduate studies. He is a member of the Berry Cross Country and Track teams. My daughter, Addison is a 11th grader at DCHS this year. She also follows in her brother's footsteps and will run cross country and track, as well as play basketball. As a family, we love spending time together on the lake, traveling together, and playing music together. I obtained a Music Education degree from the University of North Georgia back in 1998 when it was still North Georgia College and State University. I taught General Music at Black's Mill Elementary School from 1998-2005 and took the next few years off from teaching to raising my family before joining the DCJHS team in 2022. I am so excited to be back in the system and have the opportunity to direct the Choral programs here at DCJHS.
