About Me:

Greetings! My name is Valerie Patrick, and I am so excited to join the team at Dawson County Junior High as a part time Spanish teacher!! Previously, I taught Spanish in Gwinnett County for 3 years before leaving the classroom to be at home with my children. I have a bachelor's degree in Spanish from Berry College and a master's degree in Foreign Language Education from the University of Georgia. I have been married to my husband, Stephen, for 16 years and we live in Cumming with our 4 daughters. Keeley is 15, Kenna is 13, Mikayla is 10, and Mackenzie is 8. Our kids are very active in sports and dance, which takes up most of our free time. On the weekends you will find me on the soccer field, basketball court or at a dance competition.
