Dawson County Junior High

IN THE NEWS...

After an exemplary career in education, our fantastic assistant principal, Mr. Larry Cobb, is retiring. He has plans to travel and live life at a slower pace. He has poured his heart and soul into Dawson County Junior High since coming here in 2018. He is loved by students and staff, and he will be missed greatly! Carpe Diem, Mr. Cobb! We love you!

Mr. Larry Cobb
Assistant Principal
Dawson County Junior High

IMPORTANT DATES:

Engineering and Technology

My Engineering class is learning how to 3D print using tinkercad. We have recently received 15 new 3D printers through grants. The students are learning the Engineering Design Process. In every project we do, we use these steps.

Art

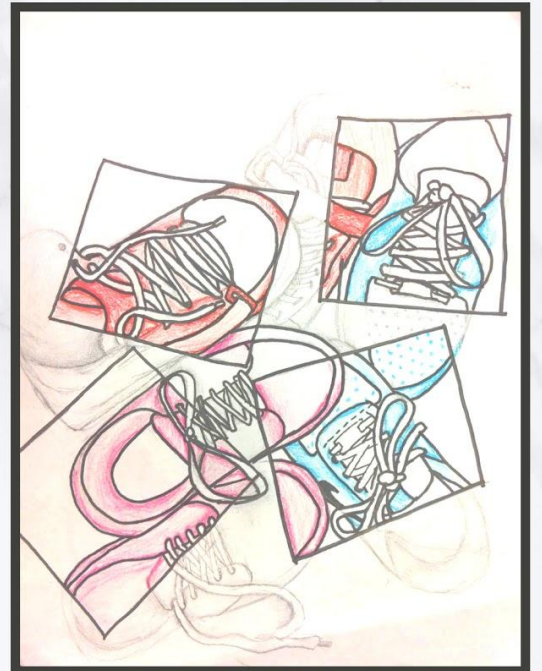

Samantha Hewlett

During Quarter 3 in Visual Arts/Composition 1, students created a Still Life composition using shoes. Students then place Geometric shapes over the Still Life. Part of the Still Life within the Geometric shapes included color and value to create dimension and portray Realism, while parts of the Still Life that were outside of the Geometric shapes consisted only of an outline, portraying Minimalism.

Registration

Dear Parents:

It's time for your child to begin registering for classes for the 2021-2022 school year. We will be sending out information for parents through our school messenger and we will also post this information on our school website. Your child's current academic teachers will make their academic recommendations for next year. Your child will be sent home with an elective class offering sheet and you will be able to discuss these options with your child. Once the teachers have submitted academic recommendations and the students have turned in their elective choices, a sheet will be sent home for parents to review. Please contact your child's teacher directly with any academic recommendation questions.

A MESSAGE FROM...

SHARON SOTELO, CPS
NxTG YOUTH DEVELOPMENT

Parents,

Next Generation Youth Development, local after school activity clubhouse for youth, is now offering all of their activities exclusively online! NxTG is welcoming teens who are seeking to connect with other youth while engaging in fun activities each day.

Students must be 11-17 to join. Activities include virtual homework assistance, Common Sense 101, team-building activities, online meet ups, art activities mailed to each youth, virtual book club with book provided, virtual Family Nights, group games, and more. This program is free of cost and there is something going on each day after school hours. If you are interested in having your student attend this virtual program or would like more information please email Sharon Sotelo at sharon@nxtgenerationga.org or visit our website at <http://nxtgenerationga.org/> and complete our interest form.

Check out our parent video:
